Re: Termination of Employment

Effective immediately your employment with the City of Mt. Juliet is terminated. I have decided that this decision is in the best interest of the City.

You will be paid full salary through July 31, 2007. On your final check dated August 9, 2007 you will be paid your accrued vacation and sick time.

The City of Mt. Juliet will continue to pay your life, dental and medical insurance through August 31, 2007.
